Trucking:

Trucking available.

Insurance:

Insurance will be available.

Air Travel:

Both Lexington and Cincinnati are served by most major airlines.
We are approximately 70 minutes from either airport.

We are also served by the Mason-Fleming Airport 10 miles from the farm.

From Cincinnati, take 275 to Kentucky, exit onto Hwy. 9 (AA) to Maysville.

Terms: Cash or check. Each animal sold to the highest bidder. The auctioneer shall settle any dispute as to bids. All cattle are to be paid for by purchasers during or immediately after the sale and will not be released until settlement has been made, unless other arrangements have been made in advance. No cattle will be transferred until paid for in full.

Guarantee: All cattle will sell under the terms and guarantees recommended by the American Hereford Association.

Liability: Each animal will be at the purchaser's risk immediately after the animal is sold. They will be fed and cared for, free of charge, for a reasonable length of time after the sale, but at the purchaser's risk. Cattle must be paid for before they leave the farm. All persons who attend the sale do so at their own risk. Boyd Beef Cattle assumes no liability, legal or otherwise, for any accidents that may occur.

Announcements: Sale day announcements take precedence over printed matter in the book. We reserve the right to withdraw any sale lot not meeting our specifications prior to sale time. EPDs in the book were current at press time.

Heifer sexed semen: When sexed semen is used, a heifer calf results 95% of the time.

Health: Every female born at Boyd Beef Cattle has been calfhood vaccinated for Brucellosis. In addition, each female is vaccinated annually, after calving and prior to breeding with IBR, BVD, P13, 4-way Lepto and Vibrio. They are wormed and poured for grubs each fall. All calves are vaccinated for Blackleg, Pasturella and Malignant Edema. All cattle selling will have interstate health charts required for shipping into other sections of the United States.

Registration Certificates: Registration Certificates will be transferred to the buyer at the seller's expense. Each buyer must be sure to give the clerk his proper name and address for making transfers. All calves born before the sale will be registered by the sellers. Information will be provided by the seller for the buyer to register unborn calves.

AI Certificates: There will not be any certificates provided on bulls not owned by the seller for females selling bred AI.

Bids: If you would like to place a bid on any lot but will not be able to be with us, we would be happy to handle mail or phone bids for you. Please direct to the owner, auctioneer or any of the sale staff.

Sale Location Directions:

Sale will be held at the Boyd Beef Cattle sale facility. ½ mile south of Mays Lick on U.S. Hwy. 68 Mays Lick is located approximately one hour and fifteen minutes north of Lexington, Ky. or one hour and fifteen minutes southeast of Cincinnati, Ohio.

Fellow Hereford Breeders,

It is a pleasure to welcome you to Kentucky for the 2021 "Breeders Cup" sale. All involved thank those from past sales who have invested their time, energy and finances so that this continues to be a major breed event. We look forward to meeting those of you who may be attending for the first time.

Each program represented strives to present only their best and know the cattle have to excel for the new owners in order to have continued success. Our goal is to only offer cattle that offer superior quality, genetics and performance.

We are excited to offer a large number of females sired by and mated to recognized, proven, popular breed leading A.I. sires. Blueprint, Power Surge, Innisfail 4013, Fresh Prince, Red Power, Journey 53D, Advance 638F, Homeland C34, Hutton 4030, Belle Air 6011, Durango 44U, Mandate and Manifest are all bulls being used across North America. This is an excellent investment opportunity for those who have limited A.I. opportunities.

A special feature is the lot 1 donor dam from Boyd Beef. She is only a three-year old and already produced two natural calves that are herd bulls for prominent programs. She flushes extremely well and her embryo production allows the Boyd's to offer her while maintaining her strong influence in their program. This is a rare and valuable opportunity to invest in a young donor female with the kind of earning potential we are all seeking.

This year's sale offers diverse genetics, phenotypes and age groups. There is an exceptional set of show heifer prospects, proven donor dams, spring and fall calving pairs and bred yearlings. Many of the cattle selling have GE-EPDs as we know we must use all tools available to document our cattle for the traits that are so important to our bottom line. Don't overlook the valuable embryo packages that could easily produce your next herd sire or donor dam.

As always, we appreciate the Boyd family for being our host and thank them for all the extra work involved to do so.

Respectfully,

Dale Stith

- Lana 76E is a major impact donor that has cemented our program and will do so for any other progressive breeding program. She is the dam of Power Surge and Forecast, both being her two first natural calves. Power Surge sold for \$55,000 to a group of leading breeders and is now a featured member of Select Sires AI stud. Forecast was the lead-off and top selling bull this spring to Dave Bielema, NJB and Clifford Farms. Lana has generated over \$100,000 in revenue in just the past two years at Boyd Beef. We are retaining daughters to carry on this powerful and productive cow family as they will be a vital part of our future. She averages 15 embryos per flush.
- Production record with birth 2 at 103, weaning 2 at 106 and yearling 2 at 107.
- Lana is pure power and will be ready for ET later this fall for immediate opportunity.
- Due Sept. 2, 2021 to Boyd 31Z Blueprint 6153.

- Endure has quickly become one of the most popular proven bulls in the breed. He has had daughters and sons rise to the top in numerous sales and he has seen widespread use. A beautiful Endure daughter out of a very strong NJW 10Y daughter that traces back to the great Peanut cow at Mohican West. We are excited about our Endure daughters and can't wait to have them in production. Ranks in the top 5% of the breed for YW, CW, REA, MARB and all three production indexes.
- Bred AI April 20, 2021 to BG LCC 11B Perfecto 84F with sexed heifer semen, then pasture exposed May 27 to Aug. 1, 2021 to ASM 114 Cogburn 854F.

- I love this Cuda daughter. Powerful and really has that brood cow look! Kayte is big middle, short marked, feminine and a maternal sister to Epic, resident herd sire for WMC Cattle Co. in Missouri. Out of 3005, a P606 daughter out of Revolutions famed mother 54N. Six SOD's in her immediate pedigree and Cuda could make it seven one day. - We used C34 for milk and good udders and his daughters are working extremely well on grass forage raising fat calves and breeding right back. The 20R DOD cow family runs deep at FSL and we have confidence in them. They are always good calf raisers of attractive, sound cattle.
- Bred May 19, 2021 to FSL Harold 38A 27A 16H, our junior herd sire. Safe in calf.

- One of the most exciting genetic opportunities we have offered at the Breeders Cup! H31 is a dark red super made female that is backed by a power donor dam and the two-time National Western Champion, Belle Air 6011. She is excellent footed with plenty of body dimension and shape. Her dam is a dark red, goggle eyed, five-year old we acquired from the Rausch Hereford herd in Hoven, SD.

- Big time cow prospect here.
- Her dam is a big time milker and has weaned the biggest calf for the last three years. We feel this female is a good representation of our herd sire, Whitmore 132E. He stamps his calves with big middles and they have that great cow look to them.

- One of my all-time favorite show heifers was KJ's Coco Creme and when I had a chance to get some embryos out of Contender I jumped at the opportunity. And boy this mating didn't disappoint! A full brother sold to Charles Miller and Ginger made a beautiful two-year old!
- Her udder is picture perfect and this soggy deep, long skeletalened, big footed girl sells safe in calf to Bar Star Fresh Prince 018 ET with a due date of Feb. 15, 2022.
